

YMCA CAMP PINWOOD
Acknowledgement of Risk Assumption of
Personal Responsibility

This is to certify that I am fully aware that certain risks and dangers may exist during my participation in adventure services, inclusive of adventure travel, initiative course activities, and climbing excursions or other activities which I participate in or under the auspices and sponsorship of YMCA Camp Pinewood. I understand that during my participation in these adventure services or activities I may be exposed to psychologically and physically stressful and challenging situations. I further understand that these include, but are not limited to, risks and dangers inherent in motor vehicle travel, exposure to forces of nature, actual climbing and mountaineering activities, and possible accident or illness in places remote from any medical facility.

I understand that although the adventure service or activity has taken precautions to provide proper organization, supervision, instruction, and equipment, for each activity it is impossible for the service to guarantee absolute safety. I understand that I share responsibility for safety and assume that responsibility.

I hereby assume all risks and dangers and will hold harmless YMCA Camp Pinewood and their respective offices, agents and employees from all actions, causes of actions, suits, and any claims, demands and liabilities whatsoever, both in law and equity, and or any of their respective offices, agents and employees, in connection with participating activity.

I have accepted responsibility for verifying my personal health and my medical history on the reverse side of this sheet and that I have no physical or psychological problems that would prohibit my participation in this program.

I agree to comply with all instructions and directions of the YMCA Camp Pinewood staff during my participation.

The terms hereof shall be binding on my executors, heirs, administrators, and assigns, and shall serve as an assumption of risk and general release for all members, including minor children, participating in such activities.
